

SCHOOL CONTEXT STATEMENT

Updated: 14/02/2019

School number: 0340

School name: Ascot Park Primary School

School profile:

Our school values of respect, responsibility and excellence guide us to achieve our mission:
To provide the best education so that our students achieve at their highest possible level of learning and wellbeing to become active global citizens.

We are proud of our diversity and value the individual needs and interests of each student. Our spacious, supportive and happy learning environments, along with high expectations, give all students the opportunity to achieve their academic, social, emotional and physical potential.

We are a Department for Education funded Specialist PE and Sport school. After poor representation in gymnastics at the Seoul Olympics, Gymnastics SA received funding from the South Australian Sports Institute (SASI) to be able to identify children with talent at an early age. In 1988, a partnership with the school was formed and so we became the Gymnastics Focus School. As gymnastics numbers began to drop, the school broadened its options. In 2014 we became a more general Specialist PE and Sport school where soccer was offered and in 2016 netball became available.

The school offers Performing Arts as a specialist subject. Interested Year 5-7 students participate in choir each week with students from our campus schools, SA School for Vision Impaired (SASVI) and Kilparrin Teaching and Assessment School, as part of the Festival of Music. The choir also performs at our end of year Celebration Night.

We have a strong connection with the community, offering a weekly Gymplay program for toddlers and preschool children. Links with local preschools, including Ascot Park Kindergarten are well established and they visit the gym each week for expert instruction in movement and coordination activities. Volunteers from the Creative Craft Club teach students traditional crafts every Wednesday and have done so for many years. Our upper primary students participate in the Active Elders lawn bowls competition with local citizens each year. Students can participate in Children's University which provides numerous extra-curricula activities, culminating in a graduation at Adelaide University at the end of the year. Our facilities are hired extensively to various community groups.

1. General information

- School Principal name: Julie Hibell
- Deputy Principal's name: Sam Kennedy
- Year of opening: 1926 (the current school was built in 1974)
- Postal Address: 1-37 Pildappa Avenue, Park Holme 5043
- Location Address: 1-37 Pildappa Avenue, Park Holme 5043
- Department for Education Partnership: Marion Inland
- Geographical location: 10 kilometres south-west from the GPO
- Telephone number: 08 8276 3055
- Fax Number: 08 8277 9007
- School website address: <http://www.ascotpkps.sa.edu.au>
- School email address: dl.0340_info@schools.sa.edu.au
- Child Parent Centre (CPC) attached: No
- Out of School Hours Care (OSHC) service: Yes
- February FTE student enrolment:

- Student enrolment trends:
Enrolments show steady annual growth over the last four years.
- Staffing numbers (as at February census):

Principal	1.0
Deputy Principal <i>Student wellbeing, engagement and support</i>	1.0
Coordinator <i>Literacy</i>	0.2
Teaching staff	12 FTE
SSO permanent hours	114 hours
ACEO	7 hours
Groundsperson (GSE3)	20 hours
- Public transport access:
Buses travelling north and south stop outside of the school on Marion Road. The railway station is about 0.5 km away from the school.
- Special site arrangements:

Ascot Park Primary School is the only primary Specialist PE and Sport school funded and endorsed by the Department for Education. We have a partnership with Gymnastics SA, Netball SA and FFSA (soccer) where students with a passion are provided with quality coaching. In the Gym-JETS program (Junior Elite Talent Squad), students train for a minimum of 19 hours per week and have before and after school training at the SA Gymnastics Association gym on Oaklands Road. The school has a bus which we use to pick up students after their before school training and we drop them off to their after school training. We provide SSO support in classrooms to our gymnasts who have a shortened day. We offer before school gymnastics, soccer and netball programs for Year 2-7 students and JP students can participate in 'come and try' sessions for different sports on Mondays after school. Our specialist PE teacher provides general PE and gymnastics lessons to all classes.

SASVI and Kilparrin share our site and canteen and students from SASVI regularly visit and have lessons with classes. Dara School, an independent school for gifted and talented students have hired classroom space for the past 2 years but are due to find alternate premises before the end of the current year. The Park Holme campus of the Warradale Community Children's Centre is situated in the south-east corner of the site.

The Adelaide Nepali School uses one of our classrooms every Saturday morning and provides Nepalese children (many of whom are enrolled at Ascot Park) the opportunity to keep their language and culture alive.

2. Students (and their welfare)

- General characteristics

The school's index of disadvantage is 4. Currently there are 9 composite classes from Reception to Year 7, with one student in a complex special needs classroom. Students come from 32 different countries and we have 16 Aboriginal students. 17 students have an identified learning disability and attract funding which is used for extra learning or behaviour support.

A high level of transience is experienced due in part to mobility of families in short term rental accommodation and parents who are students at Flinders University completing their studies.

The school provides a play-based transition program, *JumpStart* for 4 year-old children who are enrolled to start at Ascot Park the following year. It is run by our experienced Reception teacher each Friday morning from Term 2-4. In Term 4, these children along with other children who will also begin school in the following year, experience an orientation to school, visiting their new classroom over 4 visits in Term 4, increasing in time each subsequent week.

A transition program and visits are organised for our Year 7 students by Hamilton Secondary College and other local high schools. Our current year 4 students are due to start their secondary education in year 7 in 2022. Updated information can be found on the department's website.

- Student wellbeing programs
The school is a *KidsMatter* (now *BeYou*) school and all staff have been trained in SMART practices (strategies for managing abuse related trauma). The school is currently investigating the Berry Education Model for supporting social-emotional wellbeing and engagement. Targeted social skills programs include *You Can Do It Education*, *Play Is the Way* and *What's the Buzz*. A focus on protective behaviours is supported through each class teaching the *Keeping Safe Child Protection Curriculum*. Our Golden Rule, *Treat others as you would like them to treat you*, underpins all programs and activities.

The Deputy Principal's role comprises the student wellbeing leader time. Buddy classes operate across the school. Breakfast Club is run by volunteers from *KickStart 4 Kids* and is open to all students on Wednesday mornings.

- Student support offered
There is strong SSO support provided to students with special needs. EALD and ATSI support is also provided to individuals and small groups of students. We have community mentors working with some of our students.

A Pastoral Care Worker (PCW) is appointed to the school for 9 hours a week to support families, students and staff. The PCW and school works with groups including BaptistCare, MarionLife and Foodbank to help support families in need.

- Student management
The school's behaviour management policy provides a whole school framework for managing student behaviour and creating safe, orderly and productive learning environments. The school's Behaviour Code describes a range of specific behaviours that we expect and strategies for supporting students to manage their own behaviour appropriately. The anti-bullying policy has recently been reviewed.
- Student government
Students at all levels of schooling are encouraged to be involved in contributing to decisions about their own learning, classroom management and organisation. They contribute to whole school decision-making through structures such as regular class meetings and fortnightly VOK meetings (Voice of Kids).

House captains are selected each year by a panel and they represent the school at a number of events including our annual Sports Day.

- Special programs
 - Off to a Great Start – first 2 weeks program
 - Specialist subjects – Health and PE, Performing Arts, Chinese
 - Specialist PE and Sport
 - Festival of Music choir
 - Children's University

3. Key School Policies

- Site Improvement Plan and other key statements or policies:

The priorities on the Site Improvement Plan are:

- Quality teaching and learning
- Wellbeing for learning
- ICT/STEM
- Specialist PE and sport

In 2019 our main priority is literacy improvement with a focus on phonics and implementing the *InitiaLit* program in the early years and reading comprehension in the older years

- Recent key outcomes:

The school has worked extensively on continuous improvement in relation to the External School Review directions of 2015. Work has included continuity of learning for students and developing whole school literacy and numeracy agreements. Professional learning has focussed on literacy, numeracy, STEM, differentiation and formative assessment.

Specific student and cohort achievement improvements can be found in the 2018 Annual Report.

4. Curriculum

- Subject offerings:
Teachers use the Australian Curriculum to plan, design, teach and assess in 8 learning areas incorporating the 7 general capabilities and 3 cross-curriculum priorities. Our current specialist subjects are Health, PE, Chinese and Performing Arts (dance, drama, music)
- Special needs:
 - EALD support (English as an Additional Language or Dialect) for students for whom English is not their first language
 - Individual Education plans for Aboriginal students, monitored by the AET and ACEO
 - Negotiated Education Plans for learners with an identified learning disability
 - Individual Learning Plans for students in care (guardianship students)
 - *MiniLit* and *MacquLit* literacy intervention programs
 - *QuickSmart* numeracy intervention program
 - Individual Learning Plan and 1:1 classroom for student with complex special needsWe hope to transfer the above plans to the *One Child, One Plan* format during 2019.
- Special curriculum features:
 - Specialist PE and Sport
 - Outdoor learning supported by new nature play space
 - Community Garden provides opportunities for students to grow produce and develop positive food habits through fun, hands-on learning
- Teaching methodology:
Teachers use the SA Teaching for Effective Learning framework (TfEL) to plan and teach. There are a variety of professional learning communities (PLCs) within the school and partnership for teachers to share and collaborate. All learning spaces have interactive TVs and all students have access to class sets of iPads and laptops as well as the computer room.

Quality teaching and learning is monitored through performance and development practices including professional conversations, relevant professional learning and observations.
- Student assessment procedures and reporting
Teachers use diagnostic, formative and summative assessment strategies and assess against the Australian Curriculum achievement standards. There is an annual assessment and reporting schedule that teachers abide by including how we report to parents:
 - Acquaintance Night Term 1, Week 3
 - 3-way learning conversations – end Term 1
 - Written reports – end Term 2 and 4
 - Parent-teacher interviews – Term 3
 - Informal meetings throughout the year as requested by either teacher or parent

- Joint programs
We are included in the Noarlunga 1 Portfolio as part of the Marion Inland Partnership of schools. Staff from each school and preschool meet on combined student free days, some staff meetings and other in areas of interest or projects eg STEM 500.

5. Sporting Activities

- Morning fitness and health hustle
- Specialist PE and Sport program
- *Gym for All* school
- SAPSASA events eg swimming, cross-country
- Knockout sport – netball and soccer
- Sports Day held annually end of Term 1
- Swimming (R-5) and aquatics (Yr 6-7) programs in Term 1
- Sporting clinics organised by PE teacher throughout the year
- PE week
- Jump Rope for Heart annual participation

6. Other Co-Curricular Activities

- Festival of Music choir
- Children's University
- Lunchtime student activities include garden, soccer, sport, coding, chess

7. Staff (and their welfare)

- Staff profile:
 - 11 classroom teachers working from 0.4 to 1.0
 - 4 specialist (NIT) teachers working 0.4 to 0.6
 - 3 complex special needs teachers working 1:1 with identified students
 - 1 Aboriginal Education Teacher (AET)
 - 1 Aboriginal Community Education Officer (ACEO)
 - 10 SSOs (School Services Officers) providing administrative and curriculum support including library, ICT, WHS, PR/social media, specialist sport
 - Groundsperson
 - Canteen manger and OSHC Director employed by Governing Council
 - Pastoral Care Worker (PCW) employed by the School's Ministry Group
- Leadership structure:
 - Principal
 - Deputy Principal *Student wellbeing, support and engagement*
 - Coordinator *Literacy*
- Staff support systems
 - Professional Learning Communities within the school include co-planning teams, working teams, TLCs (teacher learning communities), unit teams, SIP teams and teams formed by special interests
 - PAC
 - Staff meetings are held on Tuesdays 3.30-5pm
 - SSO meetings
 - Professional learning is aligned to department and school priorities
- Performance Management
 - Professional development meetings for teachers with Principal or Deputy Principal to focus on SIP, student learning and own professional learning goals
 - Professional development meetings for ancillary staff with Business Manager

- Staff utilisation policies
Each year, PAC consults with staff about their preferred roles for the following year. Decision making through this process includes consideration of the school's needs and priorities, staff skills and interests, department guidelines and available resources.
 - 0.2 AET teacher
 - 0.1 EALD time
 - SSO positions support admin, library, ICT, WHC, curriculum
 - Aboriginal Community Education Officer - 7 hours
- Access to special staff
 - The school accesses department support staff including Speech Pathologist, Psychologist, Behaviour Support Coach, Special Educator, Social Work (truancy)
 - Outside agencies utilised include CAMHS, Baptist Care, Connected Self, Connected Psychology, Autism SA

9. School Facilities

- Buildings and grounds
The school was built in 1926 and rebuilt in 1974. The school is two large single-story, solid brick buildings. Most classrooms have access to shared wet areas. There is also a library, computer room, performing arts room, gymnastics hall and a large sports centre. All rooms were painted and re-carpeted in 2010. The buildings are centred around three courtyards that provide quiet sitting areas. There is a large oval, playground and netball and basketball courts. In 2019 work was completed on a new nature play space and community garden which was funded through the 2017 'Fund My Neighbourhood' grants.
- Heating and cooling
Every classroom is airconditioned and heated. Offices have individual air conditioning units.
- Specialist facilities and equipment
There are computers and an interactive TV in each class. There is a class set of iPads for JP students and a class set of laptops/tablets for the older students. A computer suite for traditional and explicit computing lessons is situated alongside our spacious and open plan library.
- Student facilities
As well as our extensive grounds, there is also a canteen open every day and a bike shed. VOK members are rostered on each day at the netball shed to lend out sports equipment for students to use at play times.
- Staff facilities
There is a welcoming staff room with adjacent toilets. Many classrooms have adjoining shared prep and storage rooms. There is a meeting room in the admin building which provides space and privacy for meetings and assessments.
- Access for students and staff with disabilities
There is a disabled toilet with a shower. The car park has a clearly signed disabled park and buildings are accessible.
- Access to bus transport
The school owns a small bus and, as above, there is public transport available along Marion Road.

10. School Operations

- Decision making structures
Governing Council meets twice a term and has the following sub-committees: finance, OSHC, sport and fundraising. Staff have opportunities to contribute to decision making through staff

meetings, SSO meetings and PLC's. PAC advises the principal. VOK is also consulted on matters pertaining to students.

- Regular publications
 - Fortnightly whole school newsletters – hard copies, Skoolbag and website
 - Class newsletters sent home at the beginning of each term
 - A weekly bulletin is sent to all from the Principal each Monday
 - There is a 'day book' in the staffroom but we are hoping to go electronic in 2019

- Other communication
 - School's website (redeveloped 2019)
 - Facebook page
 - Skoolbag app for whole school use
 - *Class Dojo* or *SeeSaw* app for class use
 - Academy Education Solutions software for absences
 - Intranet for staff
 - Meeting minutes – staff, PAC, SSO
 - Annual calendar (staff room whiteboard)
 - Term calendars for families
 - Staff Handbook
 - Parent Information Handbook
 - OSHC Family Handbook
 - Community noticeboards
 - Pildappa Ave sign
 - Marion Rd / Pildappa Ave corner electronic sign

- School financial position
The school is in a sound financial position.

- Special funding
 - Specialist PE and Sport
 - The school regularly applies for grants

11. Local Community

- General characteristics
The local community is varied and has a wide mix of nationalities. There is also a mix of rental and private home ownership in the school community. There is transience and also families who have been associated with Ascot Park for two or three generations. Unemployment and education levels vary and the level of school card reflects the needs of the community.

- Parent and community involvement
There are numbers of parent volunteers that support class and school programs and students' learning as well as the library and the canteen. The Creative Craft Club (formerly COTA, Council of the Aging) continue to provide craft activities to classes throughout the year. We also enjoy a very positive association with organisations such as KickStart4Kids and MarionLIFE.

- Feeder or destination schools
Feeder kindergartens include Ascot Park and Oaklands Estate Kindergartens. Students also enrol after completing new arrivals programs. The predominant destination school is Hamilton Secondary College and also includes Pasadena, Brighton, Seaview, Mitcham Girl's and Adelaide high schools. Henley and Underdale high schools are becoming popular for our specialist sport students.

- Other local care and educational facilities
The Park Holme campus of Warradale Children's Centre childcare is situated in the south-east corner of the school. The Park Holme library (Marion Library Service) is on Duncan Ave,

opposite the school. Flinders University and the Australian Science and Mathematics School are 5km south.

- Commercial/industrial and shopping facilities
Park Holme Shopping Centre is a five-minute walk and Westfield Marion is a five-minute drive. Castle Plaza at Edwardstown is a ten-minute drive as is the main commercial area of Glenelg.
- Other local facilities
 - SA Aquatic and Leisure Centre 4km
 - Marion Outdoor Pool 1km
 - Marion Leisure & Fitness Centre 1.5km
 - Flinders Medical Centre 5km
- Local Government body
The Marion City Council is the local body and has supported the school in various ways.

12. Further Comments

Ascot Park Primary School is part of the Marion Inland Partnership that includes Ascot Park Kindergarten, Forbes Children's Centre, Mitchell Park Kindergarten, Plympton South Kindergarten, Clovelly Park Primary School, Forbes Primary School, Kilparrin Teaching and Assessment School, SA School for Vision Impaired (SASVI), Australian Science and Mathematics School (ASMS) and Hamilton Secondary College.
