### 2019 Public Education Awards

Nominate, recognise and celebrate an outstanding educator in the 2019 Public Education Awards. Get involved and say thank you to a leader, teacher or support staff member making a significant difference to the lives of their students and their communities.

An educator's influence continues beyond the classroom and supports children and young people to reach their full potential in life. We all remember a teacher who inspired and motivated us to enjoy learning, and the awards honour the dedication and passion of individuals who deliver the best possible outcomes for young people and their families.

The Public Education Awards are entering their 9<sup>th</sup> year and we're excited to share excellence in South Australian public education and invite you to celebrate and recognise an educator who makes a positive impact every day.

The Public Education Awards recognise excellence in South Australian public education, and nominations are open 1 to 31 May. Visit [www.education.sa.gov.au/awards](http://www.education.sa.gov.au/awards) to nominate and find out more about the awards. We also have forms in the front office that you can submit.

## WE'RE TAKING IT IN OUR STRIDE ON FRIDAY 17 MAY 2019

It's that time of year again when our school seriously starts talking about walking! Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

### Walk Safely to School with Friends and Teachers

When: Friday 17 May

Where: Meet at corner of Hendrie Street and Pildappa Ave

Time: 8:30 am

Walk to school with Mr Kennedy and Mr Fleetwood and friends from school

Students who join us for the walk will share fruit platter at school and receive a certificate at assembly the following week!
