## Community Garden – Planting Day 18 June

We finally have a day where we will begin planting in our garden! As part of their community service program, Bunnings Marion will be donating a variety of plants, seedlings and garden tools to our garden. 2 workers will be coming to school to do some planting with our students who will be buddied up with classes from SASVI and Kilparrin. We will send out a timetable closer to the date so you know when your child will be planting if you'd like to come along and join in!

We will also be running a 'name our garden' competition where a student or class can win \$100 to spend in the garden on equipment, tools, plants etc. The winner and garden name will be revealed on the day. Any other donations of gardening equipment, tools, seedlings or seeds etc would be gratefully accepted. Please drop them off at the front office.

## NAPLAN

After the troubles we experienced on our first day of testing, all other tests have run smoothly. With permission, we were also able to make up time lost in the year 7 writing test which was appreciated by our students (and us!). NAPLAN is just one snapshot of how well students are going in literacy and numeracy and teachers regularly collect different data to inform their teaching. Remember that NAPLAN doesn't measure your child's manners, honesty, friendships, efforts, kindness, resilience etc which are critical for them to be successful in life.

## Election Day

Don't forget to vote here tomorrow in the Sports Centre from 8am. Janine and her band of helpers will be cooking a BBQ and selling homemade delights to raise money for the canteen.

## Class times

For safety and duty of care reasons and to minimise learning disruptions, parents are not to enter classrooms and buildings before 3.10pm. If you need to collect your child early from school, you must sign them out of the front office and they will be sent over. Thank you for your cooperation and support.
